- Why Do This?

[www.greentoolchest.com](http://www.greentoolchest.com)

## Waste

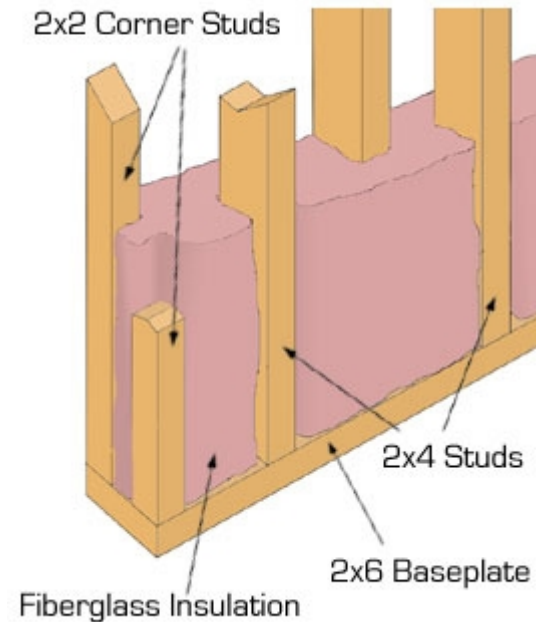

- What can we do better?

[www.greentoolchest.com](http://www.greentoolchest.com)

## Advanced Framing

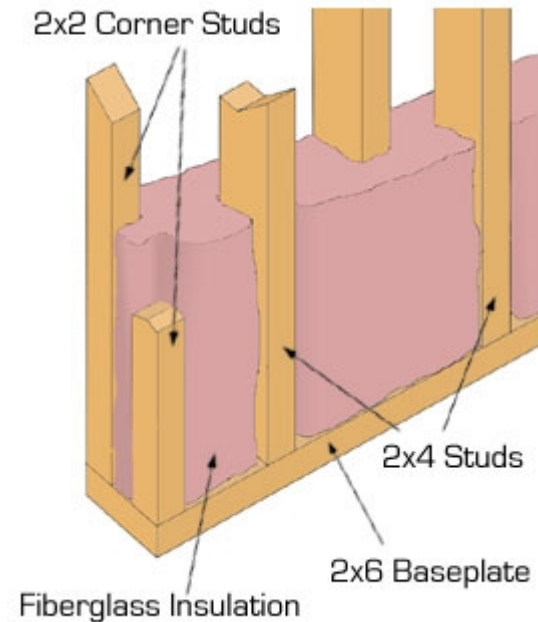

- Stagger studded walls
- Single top plates
- Less lumber – more insulation

# [www.greentoolchest.com](http://www.greentoolchest.com)

## Insulation

- Foam
- Fiberglass
- Cellulose
- Rigid foam

[www.greentoolchest.com](http://www.greentoolchest.com)

## Materials

- Choices within boundaries of limited budgets

[www.greentoolchest.com](http://www.greentoolchest.com)

## What might we do differently?

- Where do we look?

# Green Tool Box

## What are we going to do?

- Where do we look?

[www.greentoolchest.com](http://www.greentoolchest.com)

What are we going to do?

- Where do we look?
