

A photograph of a large, multi-story red brick building, likely a commercial or industrial structure, featuring numerous windows. A large billboard is visible on the roof. The building is set against a clear blue sky. In the foreground, a green dollar sign (\$\$) is superimposed over the image, indicating a financial or economic context. The image is framed by a black border.

\$\$\$

- vacancy rate of 39%,
- it has a 20% home ownership rate
- 57% of the population never graduated High School
- 44% of the workforce makes less than \$10,000 per year
- 50% of the population is considered to be "living in poverty"
- all houses are worth less than \$100,000
- 69% of the population has no vehicle available
- Crime, drugs, homelessness, and unsafe living conditions have become the norm

**Since the 2000 census there have been improvements in Greenmount West but not very many.*
